

# CREAM COAT

## Premium Furniture Polish

### DESCRIPTION

A highly concentrated cream cleaner for deep cleaning, polishing and preserving in one application. Formulated with pure lemon oil and emulsified conditioners for preservation of all wood surfaces. This versatile product is also designed for use on many other washable surfaces such as vinyl, metal, formica and fiberglass.

### PRODUCT FEATURES / BENEFITS

- Highly concentrated / Easily removes old wax buildup, deep cleans and repairs minor scratches
- Labor saving / Cleans, repairs and polishes quickly in a single step.
- Formulated with lemon oil / Protects & preserves fine wood finishes and leaves the room smelling fresh
- Provides protective film / Shields against surface damage
- Multipurpose / Beautifies wood and other surfaces such as vinyl, metal, formica, fiberglass & paneling

### DIRECTIONS FOR USE

Recommended for all woodwork, fine furniture, desks, cabinets and tables. Useful for fast, easy cleaning and polishing of many surfaces including: plastics, formica, vinyl and polished metals.

Shake well before using. Spray surface lightly with product. Polish completely with a clean, soft cloth. For quick touch-up jobs, spray cloth, then wipe surface.
