Directions for Use

A rich, golden anti-microbial soap for keeping hands hygienically clean. Ideal for use in many different type dispensers and environments including: hospitals, physicians' offices, veterinary offices, food service, food processing plants, business offices, schools, industrial washrooms and public facilities.

Tear off front tab of carton and pull out the tube. Fit the tube into the dispenser.

Once dispenser is closed, push lever to apply the product to the palm of your hand. Add a small amount of water and wash into a rich lather. Rinse and dry in your accustomed manner.

Safety Information

Avoid eye contact. Do not ingest.

For Eyes: Flush with water for 15 minutes. Get medical aid.

If ingested: Do not induce vomiting. Get medical aid.

For Sale to, use and storage by service personnel only.
