CLEANTECH

ruby 48e

Theoretical working capacity: 1700 m²/h

It is the cable powered, single brush version with a 48,5cm cleaning path.

TECHNICAL DATA

- Walk behind machine without taction
- Power supply 230V, 50Hz
- Cleaning width 485mm
- Brushes pressure 25kg
- Battery autonomy - - -
- Solution tank / recovery tank 45/45l
- Disc brush 1x485 mm
- Brushes speed 180rpm

- Squeegee width:	770 mm
- Brushes motor:	750 Watt
- Motion system:	semiautomatic
- Maximum gradient:	2%
- Suction motor:	450 Watt
- Suction vacuum:	110 mbar
- Machine dimensions:	L: 1185 mm
	W: 530 mm
	H: 1053 mm
- Machine weight w/o battery:	70 kg
- Class:	I
- Protection level:	IP 23
- Loudness:	<70 dB (A)

It is a single brush, cable powered verion with a cleaning width of 48,5 cm. There is the possibility to adjust the angle of the brush in order to have it helping the traction. This single brush version is provided with the automatic brush docking without manual intervention and it is particularly indicated for small environments inside school or ospitals and so where it is necessary a frequent brush cleaning. It is particularly indicated for small environments possibly free from obastacles so where the power cable does not represent an obstacle during work. Ruby models are also particularly silent thanks to the soundproofing system of the suction motor patented by Adiatek.
